▶ We like Valley merchants. They're generous with donations to our auction.

Patronize them. We're also quite fond of you out there in alumniland who bring cool stuff to auction. And we just love you who show up to bid! Are you a crafter? Hand made items are popular. Tired of dusting grandma's antique lamp? It'd be most welcome. "Junque" lying about? This is the place to unload those treasures!

▶ ANNUAL MEETING

Members Elect Board
Decide 2009 Scholarships
! QUICKLY !

▶ To avoid interfering with Friday celebrations, the Annual Meeting of the Membership will happen at **Noon** following breakfast. This is **new this year**. Stick around for this short (Ryanses-he'll-get-it-done-in-30-minutes), important meeting. Members **must** elect board members and **decide** the amount[s] of our Scholarship[s] for 2009. If you are not a current member, join at the alumni table so you can vote!

▶ Our **2008 Scholarship recipients** will be announced and introduced if they can be there, and the auction tables will start closing about 11'ish.

▶ Come play "**Remember When**" with our yearbook collection. It'll give you warm fuzzies and probably a good belly laugh.
